

Broxton and District Parish Council

Broxton & District Parish Council Broadband & Mobile Phone Survey

Following a meeting with Edward Timpson MP the Parish Council is seeking to undertake a survey of the broadband and mobile signal that residents are receiving in their homes and whether it is adequate. As such the Council would be grateful if you would take a couple of minutes to complete the following questions.

Return information can be found at the end of the survey.

Online version can be found at <http://www.broxtonanddistrict-pc.co.uk/> or can be accessed via the below QR code.

PLEASE RETURN BY Monday 30th November 2020

Mobile Phone Signal

Do you received a reliable mobile phone signal?

In your house Yes / No

Outside Your House Yes / No

Which mobile service provider do you use?

Does a lack of mobile signal impact on your ability to socialise or work?

.....

.....

.....

Broadband

Are you able to receive high speed broadband at your home? Yes / No

Using the below link please provide following information:

<https://www.speedtest.net/>

Download Speed

Upload Speed

What do you use your broadband for (please tick all which apply)?

Education

Entertainment (TV/gaming)

Work

Keeping in touch with friends and family (video chats)

Is the reliability and speed of your broadband impacting your ability to do any of the above?

.....

.....

Do you know of any specific barriers that currently prevent you from accessing 'fibre-broadband'?

.....

.....

So that the Parish Council can map the level of service received by residents for mobile and broadband we would be grateful if you would provide your postcode:
